Jan. 1, 1894.

In relinquishing business to E. A. Carlisle, Pope & Co., Mr. Frank W. Boles desires to express the hope that the esteemed correspondents of Levi Boles & Son will continue their accounts with the new firm.

Its facilities and experience enable it to faithfully execute all orders confided to its care.

EDWARD A. CARLISLE, With Levi Boles & Son 26 years.

STEPHEN A. POPE.

In presenting our revised size-book of goods kept ready-made, we desire to call attention to the numerous changes in and additions to stock since our last issue, making the largest and most complete assortment in New England.

As the only successors to the business and stand of the old and reliable firm of Levi Boles & Son (established in 1836), we solicit a continuance of patronage by all old customers, and hope by strict integrity and faithful attention to business to make many new ones.

Our business being both wholesale and retail, we buy in large quantities for cash, which enables us to sell at the very lowest market rates. Estimates from schedules or plans cheerfully furnished.

We hope to hear from you by way of order or inquiry.
